Storage that you can trust!

Isaac's storage facilities are the finest in the country so if you are looking for a place to keep your household goods for just one week or even a year or more we will provide you with storage that you can trust.

Isaac's Storage Vaults

Clean, effective, secure, storage units – Isaac's vaults are designed to store most household items; including large items like a mattress, sofa, washer, dryer, or refrigerator and of course all of your boxes. If you have to store some oversized items like riding lawn mowers and motorcycles; no problem! Isaac's can safely store just about anything that you have in your home.

If you need to stage your home or just want to create some more living space, storage is the answer. We offer clean and affordable storage space in Boston, Philadelphia, or Houston. Isaac's can help you make your home or business feel more open and accessible.

Storage Solutions for:

- Downsizing to a new home or renovating
- Temporary relocation
- Seasonal items
- De-cluttering before an open house
- Lag time between selling house and building/buying another
- Excess inventory using up valuable retail space
- Consolidating multiple business locations
- Downsizing office space
- File storage

Warehousing at its Finest

At Isaac's Moving and Storage we take enormous pride in all of our warehouses around the country. Organization and cleanliness are the keywords in the storage process here at Isaac's. We understand the enormous responsibility we have when our customers entrust us with their family belongings and we take extraordinary precautions to ensure that everything that we store is kept safely and professionally until we deliver your things back to your new home. When it comes to storage and warehousing, Isaac's Moving and Storage comes out on top!

**Integrity, Industry
Expertise and
OLD-FASHIONED
HARD WORK**

Your business is professional and moving your business deserves to be done by professionals. Isaac's will plan your move, execute it within the scheduled time and get you back up and running quickly!

Isaac's Commercial and Office Moving Service Offers:

- A single point of contact to manage your move
- Weekend and after business hour moves
- Furniture installation and reconfiguration
- Proper handling of computers, office equipment, electronics and machinery
- Pack and move files, records, books, etc.
- Commercial crates for employees' personal belongings
- Break-down and installation of modular furniture and work stations
- Professional tagging of inventory

We understand that moving to a new location can be a difficult process and our goal is to make this transition as smooth as possible for you by providing you with quality commercial moving services. Using a specialized, simple and efficient commercial packing system, each item is tagged and labeled to ensure that every item arrives at the designated area at your new location. If you need a full service move, Isaac's can pack up your entire business allowing you and your employees to focus on more important things.

Specialized Office and Industrial Move Equipment

Isaac's Moving and Storage uses state of the art equipment for all office and industrial moves. Specialized equipment makes packing easy and allows movers to easily transport items on elevators and down hallways. Specialized packing equipment uses less truck space and decreases the overall time it takes to move your office.

Stackable crates increase truckload capacity by 40% – 50%.

Crushproof crates mean no damages to contents.

Crates are delivered before and picked up after your move.

Specialized moving carts reduce packing, provide safe moving environment and avoid heavy lifting.

OFFICE

MOVES

In business, time is money and minimizing disruption and downtime is critical to continuity of operations. Isaac's professional office moving team help you prepare, pre-pack, label and be ready for the transition to your new location so you can be up and running on time and ready for business.

INDUSTRIAL

MOVES

Relocating a store, moving a warehouse or industrial equipment? Isaac's Moving and Storage provides specialized move equipment, trained staff and vehicles to relocate your operation around the corner or to the other side of the country.

SCHOOL & UNIVERSITY

MOVES

Whether you are moving a classroom, renovating a lab or expanding a library, Isaac's Moving and Storage has the experience to help make the process painless. Our movers can pack, remove, temporarily store, move-in and setup your facilities within the time frame that you need.

HOSPITAL & LABORATORY

MOVES

Isaac's is equipped for specialized moving so whether it's a small clinic or a hospital wing we can make the move for you. Moving medical facilities and lab equipment requires specialized care and attention to detail. Isaac's is the right choice for you and your business when the time comes to make that move!
